Your mission this evening is to complete three activities AS A PATROL.

Before you start, discuss how you will decide what activities to do, making sure that every patrol member has a say. When you know how you are going to make the decisions (you may experiment with up to five methods, but you can only use one if you wish), write them down on this sheet of paper, and show it to Kalina.

Instructions

You will notice that there are a number of tables set up, with books on them. Go around the tables and investigate the books. As a Patrol, you are to complete at least three activities tonight from any of the books, from the categories below. You may do one activity per category. You have 50 minutes.

Activity Choices

1. Choose an activity that you would like to do as a UNIT this year.
2. Find an activity that you would like to do as a PATROL this year.
3. Find a game that the UNIT can play tonight. Prepare it.
4. Play a game as a PATROL.
5. Find a GUIDING SKILL that everyone in the Patrol would like to learn or practise. Do it (ask for help if you need it).
6. Find a PATROL PROJECT that requires some planning and preparation. Do some preliminary planning and show Kalina.

Choose three categories from those below (circle your choices)

Science and Technology	The Environment
Outdoor Skills	Being a Girl
Art and Craft	Service
Other Countries and Cultures	Everyday Skills for Living
Guiding Traditions	Teamwork
