

# CONQUEST OF MOUNT EVEREST

## WIDE GAME

Your mission this evening is to climb Mount Everest! Decide your order of ascent, including getting all the equipment up the mountain. **THIS IS A DANGEROUS MOUNTAIN! MAKE SURE YOU ARE ATTACHED TO THE ROPE AT ALL TIMES.**

Have fun! Please make sure you still have enough energy at the top of the mountain to smile.

Help! Your expedition leader has been captured by the infamous Yeti. Follow the trail left in the snow, and rescue her. Since no-one has yet seen a real Yeti, see if you can capture the Yeti for scientific investigation. **BUT DON'T GET HURT!**

Congratulations! You have rescued your leader from the Yeti, and you have captured the Yeti. However, in the struggle, one of your patrol members broke her right arm. Treat it. Then tackle the final ascent – the top ridge. Make sure your Yeti is secure but safe.

Congratulations! You have reached the top of Mount Everest!!!!!!! You are in the record books! Erect a flagpole, and fly your expedition flag in triumph. Cook a meal to replace all the energy expended in your massive climbing effort. Make up a song about your adventures to the tune of “She’ll be Coming Round the Mountain”.
